# EBUILDING

August 7th to August 21st.

As we are going to move to our new location on the west side of the square about September first, we are going to offer to the buying public of Snyder and Scurry county the biggest Bargains that they ever had the opportunity of buying. When you read carefully the list of bargains we are offering, you will be doing yourself an injustice by not taking advantage of them. You can not afford to go elsewhere and pay more; money saved is money made. There are lots of men like you, who don't believe a word they read in the advertisements. We don't blame you. Lots and lots of sales have proven mighty disappointing to those who know what's what. But the Townsend-Oldham & Company sales are different. They are on the square--they are truthful, worthy of your confidence and belief. Put us to the test; pick out some item advertised; come in and say "Show me that particular item; prove to me it's the bargain you claim."
